PROFESSIONAL SUMMARY

Motivated Computer Science graduate with solid foundation in Core Java**,** Object-Oriented Programming (OOP), and backend application development using Spring Boot**.** Hands-on experience with building RESTful services, API testing, SQL database interaction, and debugging. Strong problem solving, analytical skills, and ability to collaborate with cross-functional teams. Seeking a Java Developer role at Quest Global to contribute to software design, coding, testing, and delivery.

TECHNICAL SKILLS

Languages: Java, SQL, JavaScript (basic)
Frameworks/Libraries: Spring Boot, Spring MVC, Spring Data JPA,React.js(basic)
Web Technologies: REST APIs,
Databases: MySQL
Tools: Postman, Eclipse/VS Code
Concepts: OOP, MVC Architecture, Software Development Life Cycle (SDLC)

EXPERIENCE

Intern
Ardent Computech Pvt. Ltd., Mumbai
Feb 2025 – Jun 2025

- Developed backend APIs using Java and Spring Boot following MVC architecture for scalable service delivery.
- Implemented RESTful services and integrated with MySQL using Spring Data JPA for reliable data access.
- Tested and validated REST API endpoints with Postman, ensuring correctness and performance.
- Collaborated with team members to debug, troubleshoot, and resolve software defects.
- Assisted in code reviews and maintained code quality standards.

PROJECTS

Deloitte Australia – Data Analytics & Forensic Technology (Forage)

- Performed Exploratory Data Analysis (EDA) using Python and SQL to extract insights from business datasets.
- Created visual dashboards in Tableau to present analytical findings and trends.

Plant Disease Detection System

- Utilized Python and OpenCV for image preprocessing and model development.
- Analyzed results and documented outcomes for academic project objectives.

Temple Website Backend

- Built backend routes using Express.js and MongoDB for donation and event management workflows.
- Implemented form validation and database operations for secure user interactions.

EDUCATION

Master of Computer Applications (MCA)
SIES College of Management Studies, Navi Mumbai
2023 – 2025 | CGPA: 7.38

Bachelor of Computer Applications (BCA)
Dr. D. Y. Patil College of Arts, Commerce & Science, Pune
2020 – 2023 | SGPA: 8.61
